The International Co-operators' Day which is the first Saturday in July every year is coming off on the 6th of July this year. The Managing Committee of Co-operative Institutions in the State are requested to organize for the celebration of the day this year and make the general public understand the international aspect of the Movement. Mass meetings in the localities where the societies are situated may be held and processions arranged with flags and placards showing the ideals of Co-operation. Public lectures on the benefits of Co-operation, the only hope of India, may be arranged to be delivered. The Registrar trusts that the Co-operative Institutions all over the State will celebrate the Day in a fitting manner and carry the gospel of "Universal Brotherhood" to the nooks and corners of the State.

K. H. RAMAYYA,
Registrar.
